Well...
What a delicious meal. Maybe now I'll have enough energy to go back to school! It's been a while.
Can you make any progress in your studies with your hand in that state?
Oh...
For the time being, I'll get my friends to copy their notes for me.
I can't stay home, though.
Since I'm on a scholarship...
I have to meet super-strict standards for my grades and attendance.
A scho-lar-ship...

The Story So Far

★ Kanogawa Masaki was under attack by an assassin from an organization called "the Puppeteers," when one of the organization's top-ranked members, Hinageshi, saved her instead. They ended up living together. Another assassin, Camellia, attacked Hinageshi for betraying the organization, but they managed to fend her off and have now attained a brief chance to rest. ★

...Whoa.
I can't believe it's already so late!
I can't waltz in late on my first day back!
See ya later, Hinageshi.
Watch the house for me.
Bye for now!

Cast
Kanogawa Masaki - A regular high school girl. In dire situations, she shows her true mettle
Hinageshi - The ultimate assassin. She uses an enormous pair of scissors as her weapon. Rarely displays any emotion
Camellia - Adores Hinageshi as she would an elder sister. Her affection is almost psychotically obsessive
Nearly a month has passed since I began living here.
There are still some parts of Masaki that I do not understand very well.
.....
Sometimes I get these feelings...
like something's off
And kind of like de ja vu
In the beginning, I simply thought she was a fool.
But I was wrong.

On a scholar-ship...
Living by herself...
and...
.....
Ah...
I know absolutely nothing
about Masaki...
Something about her
is far
from normal

MASAKI-CHAN!
BAM
ARE YOU ALL RIGHT!?
...Huh?
.....!?
Ahaha.
I'm so sorry for startling you.

But you might need more than a little pair of scissors to defend yourself.
Heheheh
.....
You must've been surprised.
I would be too, if someone unlocked my door from the outside!
HA HA HA HA HA
You must be Hinageshi-chan!
Masaki already told me the basics.
I hear your parents got sent to work overseas Must be hard on you
Ah...
Nice to meet ya!
Wave Wave
My name is Akira. I'm Masaki's aunt.
I see...
Say, Hinageshi-chan.
...Essentially, yes.
I guess Masaki-chan already went to school, then.
...Wait a second.
Don't you have school, too? Did you get the day off?

How are things going with you?
Are you and Masaki-chan getting along well?
She stopped contacting me, you see.
I don't mean to be rude...
But, going by appearances at least,
You and Masaki-chan seem like polar opposites.
CLINK
I hate being meddled with.
I become irritated when I see her grinning like an idiot.
I can hardly praise her for acting without using her head.
...I suppose so.
I dislike it when she becomes overly clingy.

And yet...
Well...
we get by.
I, myself,
prefer not to have people prying into my business.
But I have come to think
that I would like to know Masaki a little bit better.
So that's how it is...

To tell you the truth...
as far as I know,
Masaki-chan has never once brought a friend home with her before.
...How unexpected.
But...
that's it.
She may not be aware of it...
but she keeps everyone around her at arm's-length.
I know, right?
She seems to have so many friends.

Have you heard about her parents?
No...
Oh...
.....
I guess it's okay to tell you.
No... if anything, I want you to know.
Masaki-chan's parents...
were murdered.

She was eight at the time.
A robber killed them.
Right in front of her eyes.
...They died instantly.
Masaki-chan alone survived with minor injuries. It was a miracle.
About a year passed
before she became capable
of smiling and laughing the way she does now.
She honestly doesn't seem to have many memories of what happened back then.
That's only to be expected, of course.
Ever since...

She's careful not to get deeply involved with anyone.
I think...
She does it subtly, so that no one notices.
She's distanced herself from others,
She's afraid of losing someone again.
even though she used to be so warm and open.
GASP
Hey,
Hinageshi-chan.

Her heart used to be so tightly closed,
but somehow you've managed to enter inside.
.....?
Right now, you are everything to her.
I'm sure... she would give up anything for you.
No matter how dangerous it could be for her.

Please...
take good care of yourself.

If she loses you,
it might shatter her for good this time.
So please...
...Oh no!
When did it get so late!?
Sorry, I have to get back to work!
Thanks for serving me tea!

Oh,
don't let Masaki-chan know that I told you all of this, okay?
Also...

Please, can she stay...?
I'd be so worried about her if I left her on her own
I won't cause you any trouble, Akira-san! I swear it won't be for long!
Now I know for sure that I wasn't the right person to bring her out of her shell.
I get it,
but it's still frustrating.
I just can't let her be...
I leave her in your hands...

...
"They were murdered."
I did not know.
This explains Masaki's inexplicable thoughts and actions.
Her true self is
Because I had been convinced
that she lived in a bright and happy world, one so very distant from mine...

She lived by herself in this room
and terrified of depending on others.
and lonely
Very timid
pried open her closed world
until a murder she happened to witness by pure coincidence
I destroyed
her self-defense mechanism.

Ahh...
Sigh
So Akira-san was here.

She always gets crazy worried about me.
I wonder if the hospital contacted her.
so I didn't mention what we'd been through.

It's a good thing
...Masaki.
that I told her about you, just in case.

We are
just a little bit
similar.

Why do you not live with Akira-san...?
.....
I guess she told you about my parents.
ROLL
...To be honest, I don't really know how to act around Akira-san.
I'm going to become an independent adult sooner or later.
This is just speeding up the process a little bit.
Besides...
You're here with me now, Hinageshi.

for you to ask me a question of your own volition
